IS  
STANDARD  
OIL  
Gasoline

Red Crown is in no sense a new grade or manufacture of gasoline. It is the same identical product which automobilists, since the sport began, have known as "Standard Oil Gas." We have always called it Red Crown and now we wish you to know it by that name.

If you purchase Red Crown you are sure of obtaining a thoroughly uniform, reliable gasoline—not a "mixture" but a straight product of refining—the best gasoline the Standard Oil Company can make.

Watch for the Red Crown Sign.

## FINAL PRODUCTION OF 'THE TRAP'

WILL BE GIVEN AT BIJOU TONIGHT

Jack Belgrave, popular member of "The Players" at the Bijou Theater.

Tonight the Players' All-Star company will give the last performance of "The Trap" at the Bijou Theater. The players have scored a hit in this play. The story of the play depicts the political life and also the life of a telephone girl. The drama has a theme of serious interest, forcefully handled, yet interwoven with it is a vein of genuinely entertaining humor. As Wandy Kelly, the telephone girl, Inez Ragan has a fine opportunity to display her versatility, which she does.

turning from grave to gay with confident ease. Florence Oakley as Mrs. Mark Robertson, in emotional acting is especially worthy. Guy Hittner as Jim Blake, the politician, who is really the political boss, has never been seen to better advantage here. George Webb is well suited as Mark Robertson, being forceful and natural. Commencing tomorrow night the Players will offer the success of all nations, "Paid in Full." A souvenir photo of George Webb will be given away tomorrow night.

## AFTER MEASLES Whooping-Cough or Scarlet Fever

is a critical period—weakness, throat, delicate bronchial tubes and around lungs often follow; sometimes impaired sight or hearing.

But if SCOTT'S EMULSION is taken promptly and regularly after the fever subsides it quickly restores pure blood and strengthens the lungs. Its nourishing force restores appetite, strength and energy.

SCOTT'S EMULSION contains just the elements nature requires to restore sound health; it is totally free from alcohol or harmful drugs. Children resist it.

## Schofield Notes

[Special Star-Bulletin Correspondence]  
SCHOFIELD BARRACKS, June 23. —The 1st Infantry will hold a field meet on Thursday morning, June 25, beginning at 8 o'clock. Unusual interest has been displayed by the men of the regiment in preparing for this meet, and the carefully selected list of events promises to make it an interesting one.

The temporary suspension of work at the service schools on account of so many troops being sent to Mexico and to the border, has returned a large number of officers to their regiments. Those returning to Schofield on the last transport were 1st Lieut. Walter E. Prigden, 1st Infantry, from the Army Signal School; 1st Lieut. Waldo C. Potter, 1st Lieut. Albert K. Palmer, and 2nd Lieut. Bernard R. Peyton, all of the 1st Field Artillery, from the Mounted Service School; Capt. Gordon N. Kimball, 4th Cavalry, and Capt. William S. Browning, 1st Field Artillery, from the Army Service School. Capt. Browning has been assigned to duty as adjutant of the 1st Battalion.

The batteries of the 2nd Battalion, 1st Field Artillery, are engaging in target practice over various ranges in the vicinity of the post, with distances to the targets varying from 2000 to 5000 yards. Service practice is held on Tuesdays and Thursdays. A number of cavalry and infantry officers are frequently seen among the observers in addition to all the officers of the field artillery who are required to attend.

2nd Lieut. William B. Roseyear Jr., 1st Field Artillery, will leave shortly for his home in Michigan on two months' leave previous to the acceptance of his resignation. Lt. Roseyear who graduated last year at the U. S. Military Academy has resigned for the purpose of taking the examination of civilians for commission in the Engineer Corps.

Captain Gordon N. Kimball, 4th Cavalry, recently returned from the Army School of the Line, has been appointed regimental quartermaster, and has been placed in charge of the large amount of quartermaster transportation on the post. Captain Sherard Coleman has been acting as regimental quartermaster.

Cpl. Albert W. Miller, the popular ball player of the 1st Field Artillery, who is in the Shafter Hospital as the result of a fractured arm incurred while playing baseball against the Kelo University, has been appointed to the grade of sergeant in C Battery.

A general court martial is appointed to meet at Schofield Barracks, H. T., at 10 o'clock a. m., on Thursday, June 25, 1914, or as soon thereafter as practicable, for the trial of such persons as may be properly brought before it.

On the same transport Lieut. Col. William W. Forsyth arrived to join the 4th Cavalry, and will command the new two-squadron cavalry post at Camp.
